OBJECTIVE

Aspiring Software Engineer seeking an entry-level role to contribute and grow within a dynamic team. I am a team worker and adaptable to all challenging situation. I am interested in Networking, Cloud Computing and Web Development.

EDUCATION

Bachelor of Computer Engineering, MIT Academy of Engineering Expected 2025
CGPA - 8.93/10

Diploma in Computer Technology, Government Polytechnic Nashik 2019 - 2022
Aggregate - 92.06/100

SSC, Burhani English Medium School, Pachora 2018 - 2019
Aggregate - 92.00/100

SKILLS

Technical Skills	Java, C++, JavaScript, CSS, JavaScript, PHP
Databases	MySQL, MongoDB, AWS RDS
Tools/Technologies	Cisco Packet Tracker, GIT, AWS, VS Code, Apache
Soft Skills	Communication, Teamwork, Time Management, Problem Solving

PROJECTS

Driver Drowsiness Detection :- The Driver Drowsiness Detection System uses a webcam to monitor the driver's face and calculates the Eye Aspect Ratio (EAR) to detect signs of drowsiness. If drowsiness is detected, it triggers an alert to prevent accidents.

MedCare Insights :- We created a web platform hosted on a cloud service (AWS) to securely store user health data and consultancy history. The project combines AIML, web development, and MongoDB for worldwide accessibility, reliability, and data management.

Accident Spot Alert System :- Developed a mobile app and website that provide voice alerts to users traveling through accident-prone areas, with data updated by local police via the website. Utilized HTML, CSS, JS, Android, PHP, and MySQL for centralized data management.

EXTRA-CURRICULAR ACTIVITIES

- Actively Participated and Volunteered the Speak for India Competition organized by the Federal Bank in collaboration with Maharashtra Times.
- Participated in the Idea Submission competition organized by the Multigonal Company and provided with the best idea in AIML Domain.

CERTIFICATIONS

- CCNA Cisco Introduction to Networks
- CCNA Switching, Routing, and Wireless Essentials
- Google Cloud Associate Cloud Engineer
- AWS Academy Cloud Foundation Certificate
- NPTEL IR 4.0 and IIOT Certificate with silver badge
